

Louis Max

Singulier depuis 1859

The unique heritage of LOUIS MAX has been forged from an exceptional understanding of Burgundian tradition: from an intimate knowledge of each parcel, each Climat, through to the specific care and attention of each Cru in its winemaking and ageing. We are also the custodians of one of the largest organic domaines in Burgundy. The signature of LOUIS MAX wines is a lightness of touch, interpreting nature's nuances with an almost sensual regard. Since 1859 this has been our singular aim.
